The background of the image is a dark blue-grey color with a white topographic map pattern. The map consists of numerous irregular, concentric contour lines of varying thickness and spacing, creating a complex, organic texture that resembles a terrain map. The lines are more densely packed in some areas and more spread out in others, suggesting different elevations or depths.

## MISSIONS

# Equipping for Missions

Be equipped for life and missions through EBI's online program.

Your missions journey starts with a solid biblical foundation. A deep understanding of the Bible is essential for effective ministry.

## Chapel Sessions About Global Outreach

Your chapels are all about God's heart for the nations. Hear from experienced missionaries and learn about current field realities.

## Connect with Current Missionaries

Bridge the gap between you and missionaries all over the world through our chapel program. Be inspired by their stories, testimonies and challenges to see the world reached with the gospel.

## DISCIPLESHIP

# Deepen Your Walk with God

Grow in faith and maturity through our discipleship program.

Do more than gather information; become more like Jesus. Find real discipleship opportunities among mentors and fellow students.

## Relational Interaction with Staff and Students

You'll have access to meet with your teachers and interact with your fellow students through discussion boards and assignments.

## In-Person Mentorship Through Your Community

Our online discipleship module pairs you up with a mentor of your choice, and practically applies what you are learning in class.
