Letter From the President

Dear student,

Allow me to welcome you on behalf of all EBI staff and student body. I am so excited for you. EBI is a special place. You will soon experience that for yourself. We have worked for more than 65 years to develop a community and a curriculum for you to grow in your relationship with Christ, grow in knowledge of his word and in understanding of his mission for your life.

I want you to know that the staff is praying for you in the coming months as you make your plans and preparations to head our way. I am certain you will face challenges but God will help you through them.

I look forward to meeting you in person and welcoming you to our campus. If there is any way that we can assist you as you prepare to come, please don't hesitate to contact us.

A Note From Student Life

We are excited to see what God is going to show you and do in your life as you surrender to Him. We believe that the truths you will learn come alive when you apply them in your Christian walk. We trust that your life will change dramatically when you understand all that Christ has done for you!

At EBI, you can expect:

1. A focus on world evangelism
2. A quality Bible education
3. A cost-effective program
4. Life-on-life discipleship
5. An emphasis on practical Christian living
6. A focus on your identity in Christ
7. A grace-oriented environment

In return, we expect from you:

1. Honesty
2. Cooperation in attending all classes and keeping all appointments
3. A conscientious effort in communicating with us
4. A willingness to be taught as you mature in your walk of faith
5. Faithfulness in all areas of student life
6. Prompt payment of fees when they are due

We are excited about what God has in store for us in the coming year.

Because of Christ,
Ben Morrison

Arrival Information

WELCOME!

During registration weekend we have students arriving from all over the country and all over the world! As a service to incoming freshmen, we make arrangements to see that those who are flying are picked up and brought to the school. Please inform us of your travel arrangements. Single women contact the deans of single women. Single men contact the deans of single men. (See the contact list on page 6) To CHECK IN follow the brick drive to the front of the main building and park in the lot with 4 pillars. To LOAD IN your things please come through the north entrance by the loading dock.

SINGLE STUDENTS

Please plan to arrive on one of the two designated arrival days. Friday, August 18 from 9am–9pm or Saturday, August 19 from 9am–9pm. If you need to arrive before or after the specified times, please communicate directly with your respective dean.

MARRIED STUDENTS

Please contact the Deans of Married Students as you make plans for your arrival. It may be possible to arrive before the arrival and move in days, but it's essential that you communicate with us. We recommend arriving early enough to be moved in and unpacked before Registration starts.

AIRPORT TRANSPORTATION

If you plan to fly, we recommend that you fly into General Mitchell International Airport (MKE) in Milwaukee. You may make your own arrangements to get from the airport to EBI or you can make arrangements for a staff member can pick you up. Please discuss these arrangements with your respective dean.

If you feel that you need to fly into an airport other than MKE, we ask that you discuss this with a dean before purchasing tickets. It will be your responsibility to get from that airport to EBI, Waukesha. Please discuss these arrangements with your respective dean.

If you choose to fly in Chicago, Coach USA has a shuttle that runs from O'Hare right up to Waukesha. It's currently \$37.40 per person. You can find shuttle information at coachusa.com.

BUS OR AMTRAK STATION

The Milwaukee Intermodal Station is a combined BUS and Amtrak TRAIN depot. It is downtown at 433 W St. Paul Avenue. You may make your own

arrangements to get from the station to EBI or you can make arrangements for a staff member to pick you up. Please discuss these arrangements with your respective dean.

DRIVING DIRECTIONS

The main entrance is on North Hartwell with terraced hills to the left and a gas station to the right.

915 N. Hartwell Ave.
Waukesha, WI 53186

General Information

CHURCH INVOLVEMENT

Ethnos360 is not a church. We are not affiliated with any denomination and we exist to support and assist the local church. We believe that it is every believer's responsibility to value and participate regularly in a local assembly. We find encouragement, balance and accountability through this participation.

We typically host a church fair at the beginning of the semester. This gives you the opportunity to meet local pastors and learn about several churches at once! Please take the first few weeks of the semester to visit churches and find your local home church. Regular church attendance is an expectation.

SOCIAL LIFE

We consider social life an important aspect of our growth. It's important to have times to relax and just have fun together. These events include planned socials for the single students, socials for the married students, and socials in which marrieds, singles, and staff all get together. In the past, we have had talent nights, coffee house socials, ice-skating, miniature golfing and movie nights.

Housing Information

SINGLE STUDENTS

FACILITIES

Our desire is to provide a living environment which is conducive to study and comfortable for everyone. Your dorm will consist of a combination sitting/study room and bedrooms. It will be furnished with bunk beds, dressers and closet space. In the sitting room, we will provide a desk, chair, bookshelf, and, depending on the size of the dorm, a couch and chairs. Because you will be sharing a room with others, there will be a limited amount of storage space per student. Restrooms and showers are located either in the dorm or in close proximity. On the ground floor we have a central laundry facility for your use. A laundry fee is included in your student fees for on-campus students and covers the cost of doing laundry for the semester.

STORAGE

Storage is provided but on a very limited basis. Suitcases, totes and out of season clothing only.

MEALS

For resident single students, all meals in the Dining Hall are included in your student fees.

HOUSING INFORMATION

MARRIED STUDENTS

FACILITIES

Married student apartments are located near our main building. Most apartments have a living room, kitchen, dining area and bathroom. The number of bedrooms depends on family size and apartment availability. There is a central laundry facility on the ground floor of the main building and in the basement of the apartment buildings. A laundry fee is included in your student fees for on-campus students and covers the cost of doing laundry for the semester.

STORAGE

Storage is provided but on a very limited basis. Suitcases, totes and out of season clothing only.

MEALS

Married students living on campus are provided with a refrigerator and kitchen. It's your responsibility to prepare meals for your family. Meals in the Dining Hall are not included with your fees, but you can occasionally sign up for meals in the dining hall and charge those to your school account

What to Bring

SINGLE STUDENTS

BEDDING/LINENS

You'll need your own pillow, pillowcases, bed sheets (**twin extra long**), bedspread and blankets, towels and wash cloths. The school will provide a mattress cover for you to purchase.

PERSONAL ITEMS

Items you may consider bringing include a laundry bag or basket, sports equipment, desk lamp, fan, iron and small pictures. A carryall or organizer is helpful for toiletry items. If you plan to bring a window air conditioner, please contact a dean first since we only need one per room. Mini fridges are unnecessary as refrigerators are provided on each wing.

ITEMS NOT ALLOWED:

Please do not bring electric blankets, space heaters or mini refrigerators.

PHONE OR HANDHELD DEVICE

A handheld device with Bluetooth is needed for attendance.

LAPTOP AND PRINTER

All students should have their own personal laptop for completing research, writing papers, turning in assignments, and even testing electronically. It is helpful to bring a printer but not required. Most of the assignments are turned in electronically, and there is a printer available in the library.

COMPUTER SPECS FOR LOGOS BIBLE SOFTWARE

The minimum requirement is 2GB of RAM and 30GB of FREE hard drive space. Some users have found that 8-16GB of RAM is ideal. We strongly discourage relying on netbook or iPad to run the online version of the program because the configuration limits the software's capability. When you complete all 4 semesters, you will own the software outright.

Logos 9 <https://www.logos.com/system-requirements>

INTERNET

EBI offers our students Wi-Fi access to the Internet throughout the campus. Please note that we do actively filter all content and information that comes through our campus internet. If you have any questions, please feel free to contact ebi_it@ntm.org

DECORATIONS

You may bring decorations but consider that space is limited and only pins and thumbtacks are permitted to fasten items to the wall.

PETS

Fish contained in 1-gallon bowls or smaller are permitted. No other pets allowed.

What to Bring

MARRIED STUDENTS

HOUSEKEEPING ITEMS

We do not provide household/housekeeping items. Bring dishes, pots, pans, iron, towels, linens, blankets, fan, clock and lamps.

FURNITURE

We recommend you bring your own furniture, however, keep in mind that apartment sizes vary. If you are unable to bring furniture, there is a limited amount of furniture available for use on a first-come, first-served basis.

APPLIANCES

Refrigerators and stoves are available for all apartments. If you choose to bring your own stove, please check with our dean of married students. You may also want to bring a microwave oven, fan, small air conditioner, TV, etc. No space heaters, please, and no electric blankets.

DECORATIONS

You may want to bring things that will help make your apartment “home.” Small picture hangers or straight pins are fine for hanging things on the walls.

PETS

Fish contained in 1-gallon bowls or smaller are permitted. No other pets allowed.

CLOTHING FOR WARM AND COLD WEATHER

Due to the ever-changing weather in Wisconsin, you will want to bring clothes appropriate for both warm and very cold temperatures.

PHONE OR HANDHELD DEVICE

A handheld device with Bluetooth is needed for attendance.

Clothing

We recognize that there are a number of different personal preferences and convictions in the area of appearance and dress. We request that our students appear neat and modest while avoiding extremes. Each believer bears the responsibility before God to be sensitive to the people around us.

Please recognize that there is appropriate attire for specific settings: classroom, dorm halls, dining room, weight room/gym, etc.

For classroom attire specifically, we ask that you wear nicer jeans, pants, joggers, shorts, skirts, and dresses. Please avoid tank tops in the classroom

and dining room. If you have further questions about clothing, please contact your respective dean.

Due to the ever-changing weather in Wisconsin, you will want to bring clothes appropriate for both warm and very cold temperatures.

Academics

OVERVIEW

Our school motto is "Where Bible Education and Missions Are One." With this in mind, we trust your training experience at EBI will be life changing. You will be studying the great doctrines of the Bible. Your instructors will be emphasizing the necessity of living a godly life, as well as the Christian's responsibility and purpose in taking the good news about Christ to a lost world.

REGISTRATION

You will register for classes during your initial days on campus. You will be taking approximately 15 required credit hours per semester and one or more electives.

CLASS SCHEDULE

All required classes are held Monday-Friday from 8:00am to 11:30am for section A, and 9:00am to 12:30pm for section B. Elective classes are taught during the afternoon at 1:10pm. This generally allows for free time in the afternoons and evening for employment, study, etc.

BIBLE SOFTWARE/TEXTBOOKS

Most textbooks you will need are available in digital format within the Logos Bible Software. You will receive a license to this when you arrive. Occasionally you might be required to purchase textbooks or borrow them from the library.

TRANSFER CREDITS

If you have taken Bible courses at other Christian colleges and want to receive credit for those at EBI, please have an official transcript sent to us. A brief description of the courses you have taken would be helpful as well. Contact the Registrar regarding transfer credits. You will discover that an in-depth study of the living Word of God will be unlike any other course of study you have undertaken. For a complete listing of the courses EBI offers, please refer to our school catalog or visit our website.

Campus Life

CAMPUS EVENTS

We believe our campus life activities helps develop community at Ethnos360 Bible Institute. We enjoy regular school-wide social events like ice-skating, movie nights, picnics and more!

INTRAMURAL SPORTS

We also encourage students and staff to participate together in our intramural sports program. Students of all skill levels may join a team and play the sport of their choice. The sports available are volleyball, indoor soccer, basketball and a variety of other sports. You can even take part in local leagues!

STUDENT MINISTRY

Students are required to serve in a variety of responsibilities on campus. Students are also encouraged to serve in some ministry in a local church or community. The total time expected for serving in these different ways is three hours per week. Examples of service on campus would be cleaning, general maintenance of the buildings and grounds, food service, etc. The Waukesha and greater Milwaukee area offers a wide range of exciting church and community-based ministry opportunities, including cross-cultural. During orientation, the Student Ministry staff will communicate with you regarding your ministry assignment on campus. During Student Ministry chapels you will learn about various opportunities to serve in the local church and community. If you have any questions about Student Ministry, please feel free to contact us at: ebi_studentministry@ntm.org

WORKING AS A STUDENT

Our program was created to give students an opportunity to work in the afternoons, evenings and weekends. While there aren't any on-campus jobs, our students find it easy to find jobs and work within the local community. We are continually receiving emails from individuals as well as businesses that are looking to hire our students. While we understand the necessity for our students to work to pay their school bill, we would recommend not working more than 20-25 hours a week during the semester.
